The amount is entitled "Suspense and advances Recoverable" and has now to be adjusted A small grant of Rs 22,290 for the purpose seems necessary. Orders are solicited as to whether the amount should be debited to the Local Government (24-Irrig.) or dealt with as a Public Works charge in accordance with the procedure laid down in foot-note N° 169 p. 791. Appendix 9 to the Civil Account Code vol. II. As however the expenditure has already been incurred and it is not a fresh charge for the current year perhaps it is immaterial whether we debit it to the Local or the P. W. Deptt. The sanction to the grant for the purpose is only formal.
